

I would like to nominate Patricia (Patti) Westwater of 997 Hyde Park Ave. 1st Floor, Hyde Park, Ma.02136, 617-364-5980 for the Best Neighbor Award. Patti has lived on Hyde Park Ave. for most of her life.

She is always helping her neighbors, and because of her caring ways has helped neighbors stay out of a Nursing Home, which was their biggest fear .

Her next door neighbor would call her and Patti would go over there to help her. She shoveled her sidewalk and stairs and while she was recuperating from an accident Patti was there to help her.

Her former landlady who lived upstairs to Patti would bang on her pipes or wall with her cane if she could not reach the phone and Patti would go running upstairs to assist her until the Fire Dept./Ambulance would come and she would contact the family or go to the hospital with her.
She would cut the grass, plant flowers and shovel their stairs and sidewalk.

Patti lived across from a Fire Hydrant and in the past 35-40 years would always shovel out the Fire Hydrant during and after each snow storm.
She never missed shoveling out that Fire Hydrant .

Even though she is now technically a Senior Citizen she is still out there shoveling for everyone.

Her neighbor across the street had surgery several times and Patti would go to the store for her, help her when she needed it and also shoveled her sidewalk and stairs.

Her two sons are both Navy Veterans, and Michael is now a Boston Fireman, Greg is now a New Bedford Fireman. They learned their giving ways of serving our Country and the respective Fire Dept. from Patti's loyal work and caring for others.

It is an honor for me to nominate her for the Boston Best Neighbor Award.

Thank you for your consideration.

Barbara Baxter
